

MANITOBA INTRA-PROVINCIAL MILES

The miles shown in Section 9 are to be used in connection with the Mileage Fare Tables in Section 6 of this Manual. If through miles between origin and destination are not published, miles will be constructed via the route traveled, using miles in Section 9.

Section 9 is divided into 8 sections as follows:

- Section 9 Inter-Provincial Mileage
- Section 9ab Alberta Intra-Provincial Mileage
- Section 9bc British Columbia Intra-Provincial Mileage
- Section 9mb Manitoba Intra-Provincial Mileage
- Section 9on Ontario Intra-Provincial Mileage
- Section 9pq Quebec Intra-Provincial Mileage
- Section 9sk Saskatchewan Intra-Provincial Mileage
- Section 9yt Yukon Territory Intra-Provincial Mileage

NOTE: Always quote and sell the lowest applicable fare to the passenger. Please check Section 7 - PROMOTIONAL FARES and Section 8 – CITY SPECIFIC REDUCED FARES first, for any promotional or reduced fares in effect that might result in a lower fare for the passenger. If there are none, then determine the miles and apply miles to the appropriate fare table.
