

**SPECIAL HONORING ARRANGEMENTS**

In most instances Greyhound tickets may be honored by other carriers participating in Greyhound's fares at the option of the passenger. However, other times the ticket must be properly couponed in order for the other carrier to accept the ticket. All travel to points on the routes listed in this section require a separate travel coupon to be accepted by a carrier other than Greyhound.

If the ticket is not properly couponed the passenger will need to get the approval of the supervisor on duty to be able to continue via the routes of the other carrier. A supervisor's signature would be considered approval.
